

Shin Yeeun (Cynthia)

Email: syu1012@snu.ac.kr

Education

Seoul National University

Major: Biosystems Engineering
Interdisciplinary Major: Artificial Intelligence
Minor: Computer Science and Engineering
Minor: Civil and Environmental Engineering

Interests

Computer Graphics
Spatial Design
Spatial AI
Visualization

Activities

President, Yeominrak Traditional Korean Music Club (SNU)
SAP Winter School, Aalto University (Finland)

Projects

Computer Graphics Projects
- Gouraud & Phong Shading
- Texture Mapping
- Normal Mapping
UTV Design Project
- Shaft and drivetrain design

Skills

Python, C++, Java, Git/GitHub, OpenGL

English

TOEFL iBT 100

Future Goals

Interested in TA activities and undergraduate research related to Computer Graphics, Spatial AI, and Intelligent Spatial Systems.
